

ECONOMIC INDICATORS

2010 Washington State *Economic Outlook*

Dr. Arun Raha

EXECUTIVE DIRECTOR
Washington State Economic and
Revenue Forecast Council

Join us to hear about the current and predicted
state of Washington's economy.

In addition to being well qualified and intelligent,
Dr. Raha is an entertaining speaker. The governor
and legislature listen to his forecasting.

From Dr. Raha's office:

2010 will be a year of transition from recession to growth.

- When will the recovery full take hold?
- When will employment expand?
- What industries will lead the recovery?
- And your questions for Dr. Raha as well.
